

## KINDERGARTEN TUITION GUIDELINES & RATES

Denver Public Schools' cost to provide Kindergarten is \$400 per month per child for full-day. DPS is able to provide tuition rates below cost because of additional funding sources such as Mill Levy and state funding. For more information regarding how tuition rates are determined, please contact the Office of Choice and Enrollment Service. To maximize the amount of tuition assistance you are eligible to receive, you MUST submit all required documentation. Below is the tuition rate you can anticipate paying each month.

**Example:** You have a family of 4 and your household gross monthly income (before taxes) is \$3,850, which is located in column B. You are enrolling your child into a full-day Kindergarten program. Your estimated monthly tuition rate is \$93.
