*Braiding funds to increase the length of the day for services or number of days of service is allowable when:

1. The total number of hours meets the total number required by each funding source. A half day program must provide at least 12 hours of educational services per week (360 per year) and a full day program must provide at least 24 hours per week (720 per year).
2. The total amount of funds received does not exceed the published tuition rate.

**Three-year-olds allowable to support Denver SPED children and typical peers in inclusive settings.
