

# EARLY CHILDHOOD EDUCATION TUITION GUIDELINES & RATES

Denver Public Schools' cost to provide preschool is \$1,300 per month per child for full-day, and \$650 per month per child for half-day.

DPS is able to provide tuition rates below cost because of additional funding sources such as Colorado Preschool Program, HeadStart, Denver Preschool Program and others. For more information regarding how tuition rates are determined, please contact the Office of Choice and Enrollment Service. To maximize the amount of tuition assistance you are eligible to receive, you MUST submit all required documentation. Below is the tuition rate you can anticipate paying each month. These rates are still pending approval and are an estimate only.

**Example:** You have a family of 4 and your household gross monthly income (before taxes) is \$3,925, which is located in column B. You are enrolling your 3 year-old child into a half-day preschool program. Your estimated monthly tuition rate is \$32.
